

## CALIFORNIA WING OPERATING INSTRUCTION 13

27 MAY 2008

Operations

### ES RATING EVALUATORS

#### **Background**

With the revision of CAPR 60-3, dated 26 May 2004, training for advanced ES specialties must be certified by qualified evaluators. In addition to being a current and qualified supervisor as listed in Attachment 5, the evaluator must have completed the Skills Evaluator Training (SET) course. The SET course is available online at:

[https://tests.cap.af.mil/ops/dl/Module%20One/SET-OL\\_files/frame.htm](https://tests.cap.af.mil/ops/dl/Module%20One/SET-OL_files/frame.htm)

#### **Policy**

To increase the level of professionalism in the wing, further restrictions will be observed. It is the policy of California Wing that **neither** persons with entry level ES ratings, **nor cadets** shall perform ES evaluations. Entry level ratings and the **minimum** level of training required to evaluate them are listed in the table below.

<b>ES Entry Level Rating</b>	<b>Evaluator must be standard:</b>
Mission Scanner	Mission Observer or Mission Pilot
Urban DF Team Member	Designated Senior Member UDF, or Ground Team Leader
Ground Team Member-3	Ground Team Member – 1 or -2 Ground Team Leader
